Velden vol paars: de heide kleurt MaasMauve

5,5 KM MOEILIKHEIDSGRAAD ☆☆☆

Bos, heide, oude zand- en grindgroeves

Zwerf langs zonnige heidevelden, verdwaal in schaduwrijke bossen of tuur naar eindeloze vergezichten. Ontdek Nationaal Park Hoge Kempen in volle bloei met deze wandeling aan de wandelpoort bij uitstek, de Mechelse Heide.

TEXST EN FOTO: Visit MaasMechelen

Deze lus neemt je 5,5 km lang mee doorheen het heide-reservaat. Je start de wandeling in het bos maar daarna: heide voor zover je kan zien! Van midden augustus tot midden september staat deze volop in bloei en geniet je van een paars natuurschilderij. Maar ook in andere seizoenen kan je genieten van de pracht en pure eenvoud van de natuur met zicht over de voormalige zand- en grindgroeves. Onderweg passeer je de 'Opengingsteen', een grote zwerfkei die geplaatst werd bij de opening van het Nationaal Park Hoge Kempen op 23 maart 2006, bunkers uit WO1, gloeiende heidevlaktes en een picknickplek met panoramisch zicht. En als je vroeg in de ochtend komt, kan je wel eens een reetje spotten!

ERVEN:

- Gratis parking: Nationaal Park Hoge Kempen
- Toegangspoort Mechelse Heide, Joseph Smeyerslaan 280, 3600 Maasmechelen

Tips voor trips in de Mechelse Heide

- Frenetische wandelaars kunnen de wandeling uitbreiden tot 10 km (of meer) door verschillende wandellussen met elkaar te combineren.
- Halveweg de gele wandellus kom je een trap tegen. Wandel deze omhoog en geniet van een picknick met een prachtig panorama over de heide.
- Honden zijn welkom aan de leiband maar er is ook een hondenslooptone in het gebied.
- Tijdens de maand augustus kan je deelnemen aan de MaasMauve Heidecruises. Op verschillende data staat een ranger (Nationaal Park gids) je op te wachten om je mee op pad te nemen door de heide. Data en locaties vind je terug op de website.
- De Mechelse Heide biedt tal van activiteiten voor kids zoals een Kidafari, speelbos, B'Dicars doe- en zoektocht, ...
